10 SCORING

10.1 Scoring Procedure - General:

- 10.1.1 VARC groups many club events into the Regatta Series, the Distance Series, the Division Championship Series and the Boat of the Year (BOTY) Series as described in section 5 Schedule of Events.
- 10.1.2 All divisions will score each of these series in the same way except, if applicable, as described in section 10.2 Scoring Procedure Specific to Each Division, and according to their ***division-sanctioned event list*** shown on the VARC website RACING page.
- 10.1.3 VARC scores each day of a club event as a separate "event-day" and the results for each event-day will be the posted results by the host club for each division, each day, except as modified in this section.
- 10.1.4 The Southern Straits Classic courses will be scored as 2 event-days due the length of the race relative to other event-days.
- 10.1.5 VARC scores each series as follows:
 - 10.1.5.1 For each division, the Regatta Series will score the best 4 of 7 Regatta event-days.
 - 10.1.5.2 For each division, the Distance Series will score the best 5 of 10 Distance event-days.
 - 10.1.5.3 Each Division Championship Series will be derived from the Boat of the Year series.
 - 10.1.5.4 The Boat of the Year Series will score the best 10 of all event-days.
- 10.1.6 There is no minimum number of events required to qualify for a series championship.
- 10.1.7 VARC will not modify the results as posted by the host clubs except as noted herein.
 - 10.1.7.1 If a host club does not use standard VARC division breaks, then boats will be scored in the division in which they raced at the event except as noted herein.
 - 10.1.7.2 Where a host club has multiple courses (e.g. Straits) a boat will be scored by VARC in the position in which they placed in their division on that course, as scored by the host club, except as follows:
 - 10.1.7.3 For boats in a VARC division who are placed by the host club in different divisions on the *same* course, and with the same start time, VARC will use the corrected times for scoring each boat in its VARC division regardless of the division assigned by the host club.
- 10.1.8 All boats racing at an event within the VARC division splits, including visiting boats, will be scored by VARC.
- 10.1.9 All events and series will be scored using the High Point Percentage Scoring System as per US Sailing scoring guidelines (US Sailing - Scoring a Long Series) with the following modifications:
 - 10.1.9.1 For series scoring, all events will receive an equal weight rather than assigning a higher weight for higher attendance, and a lower weight to less attended events.
 - 10.1.9.2 If, at any event, a division has fewer than four boats racing, a boat's score will be the number of boats racing in the division at the event, plus one, minus her finishing position (1,2,3...), then multiplied by 1/4. For example, Three boats in the division: 1st Place = 3/4, 2nd = 1/2, 3rd = 1/4.

10.2 Scoring Procedure Specific to Each Division:

- 10.2.1 Division 7 will score their Distance Series as the best 4 out of 8 event days due to not including Southern Straits Classic or Inshore races in their Division Schedule as noted in their ***division-sanctioned event list***.
- 10.2.2 Farr 30 - the Farr 30 fleet will score a single championship series of events as listed in their ***division-sanctioned event list*** on the VARC website RACING page.
