

"Making Sailing Exciting!"

VARC Notice of Race 2026 Championship Season

The Vancouver Area Racing Circuit Society welcomes you to this year's racing season and invites you to participate in the series of racing events hosted and managed by local yacht clubs of the Greater Vancouver area.

1 RULES

- 1.1 VARC events will be governed by The Racing Rules of Sailing unless changed in the event documentation.
- 1.2 The host yacht club will publish an event Notice of Race (NOR) and event Sailing Instructions (SIs) or Event Rules (ERs). In case of conflict with this VARC Notice of Race the provisions of the event documents will take precedence.
- 1.3 The rules for each division as applicable under section 3 include the rules of PHRF of BC, the rules for ORC.
- 1.4 **SAFETY REQUIREMENTS:**
 - 1.4.1 VARC recommends that the Organizing Authority for each event assess whether these section 1.4 safety requirements are sufficient, and if appropriate, prescribe additional or alternative safety requirements.
 - 1.4.2 Boats shall carry the equipment required by law. Particular attention is drawn to Transport Canada's Safe Boating Guide coupled with the supplemental requirements in the attached Table 2. The table enhances the standard Safe Boating Guide with VARC amendments in certain areas for a racing context, including the adoption of some key aspects of the OSR Appendix B. **None of the VARC Amendments or OSR App B supplemental requirements diminish the Transport Canada requirements. The VARC Amendments take precedence.** e.g. if a Transport Canada Safe Boating Guide has alternatives within its regulation, including its notes, and the VARC amendment says "Required" that means **the VARC Amendment OVERRIDES ANY ALTERNATIVES.**
 - 1.4.3 Boats racing in a one design class shall, in addition to 1.4.2., also comply with the safety requirements of their class rule.
 - 1.4.4 All boats racing in a handicap class (including one design boats not racing in a one design class) shall, in addition to any safety requirements in their handicap class rule, comply with the Transport Canada Safe Boating Guide and VARC Amendments in Table 2 as indicated in 1.4.2.
 - 1.4.5 Competitors are reminded of the Fundamental Rules of The Racing Rules of Sailing (RRS): Helping those in Danger, Life-Saving Equipment, Personal Buoyancy and Decision to Race. Competitors are reminded of the Responsibility of Person in Charge as described in 1.02 of the Offshore Special Regulations.
- 1.5 Competitors are reminded of the Offshore Special Regulations' - Offshore Racing Environmental Code and Canadian Environmental Protection Act, and in particular Part 7, Division 3 Disposal at Sea.
- 1.6

VARC Notice of Race 2026

2 ADVERTISING

- 2.1 Boats racing in VARC events may be required to display advertising chosen and supplied by VARC and/or the organizing authority of each event as defined in the event documentation.
- 2.2 Boats not displaying advertising as required will be scored DNS by VARC without a hearing. This changes RRS 63.1 and RRS A5.
- 2.3 Boats may apply to VARC or the organizing authority of each event in advance of any event for an alternative method of displaying required advertising if special circumstances prohibit compliance with this section. A boat will be granted this alternative at the discretion of VARC or the organizing authority of each event, as applicable, and if granted will not be penalized as prescribed in section 2.2.

3 ELIGIBILITY AND ENTRY

3.1 ELIGIBILITY

- 3.1.1 The VARC series are open to all keelboats that have: a current valid PHRF of BC certificate with a rating between 100 and 275; or a current valid ORC Certificate (Club or International) APH no higher than 580. One Design classes are encouraged to apply to VARC for their own division.

3.2 DIVISIONS AND CLASSES

- 3.2.1 Boats will be assigned to divisions based on their handicap rating or classification as follows:

Div. 0	(pennant 0):	ORC APH Less than 480.0
Div. 1	(pennant 1):	ORC APH 480.0 to less than 530.0
Div. 2	(pennant 2):	ORC APH 530.0 to less than 580.0
Div. 3	(pennant 3):	PHRF-BC 100-173.
Div. 7	(pennant 7):	PHRF-BC 174-275.

- 3.2.2 Division 0,1 & 2 will be scored using ORC. Division 3 & 7 will be scored using PHRF-BC.
 - 3.2.3 Eligible boats may race in all VARC events but will be scored by VARC only in their division-sanctioned events and courses as described in section 5 Schedule of Events.
 - 3.2.4 If a boat's rating changes during the season, such that her new rating falls within a different division, or no division, the boat shall continue to sail in the division which she began the season, with her amended rating. If a boat changes her rating system during the season (i.e. ORC to PHRF or vice versa), the boat will be scored in all applicable divisions she races in with the rating with which she registered for each event.
 - 3.2.4.1 A boat in an ORC Division (Div 0,1 or 2) that has a valid ORC Double Handed Certificate may use that rating to enter an event in that Division's VARC series, only while crewing the boat double handed for all the races in that event.
 - 3.2.5 VARC may modify division splits to accommodate new boats during the season.
 - 3.2.6 VARC may recognize additional one design fleets during the season.
 - 3.2.7 All boats, except one design divisions, must conspicuously display their division pennant on their backstay, attached to the leach of their mainsail, or a stern fixture. Boats failing to do so may be subject to protest by the race committee but not by competitors.
 - 3.2.8 As per 3.2.1, Host clubs are strongly encouraged to use the VARC Division Breaks in the NOR and SIs or ERs.
- #### **3.3 ENTRY AND REGISTRATION**
- 3.3.1 Eligible boats may enter individual events by completing the online registration and payment as described by the host yacht club of each event on the host yacht club's website. VARC does not accept registrations for any of the events or series.

VARC Notice of Race 2026

- 3.3.2 Boats are automatically entered in the applicable VARC series when they are scored by the host club as described in section 10 Scoring.

4 FEES

- 4.1 Event fees are determined and collected by the host yacht club of each event.

5 SCHEDULE OF EVENTS

- 5.1 VARC promotes many regattas and distance races hosted by local yacht clubs and includes them in one or more of the Regatta Series, Distance Series, Shorthanded Series, Division Championship Series and the Boat of the Year series.
- 5.2 All the VARC events and series are listed chronologically in Table 1 – VARC Schedule of Events. This table specifies the series in which each event will be scored. A Regatta Event is defined as a single event consisting of a series of races. A Distance event is a single event with one race, irrespective of the number of days it takes to finish.
- 5.3 All divisions will be scored in *all* VARC events unless otherwise noted by a division that chooses not to participate in an event as listed in their ***division-sanctioned events and courses*** in Table 1 and on the VARC website RACING page. Boats may race in these events if a division is offered by the host club, however VARC will only score that event for a division's series if it is sanctioned by the division.
- 5.4 Details of each event are provided in the event documentation as it becomes available from the host yacht clubs throughout the season and made available on the host yacht club's website and the VARC website.
- 5.5 The annual year-end Awards Ceremony will follow the racing season. See the VARC website for details.

6 MEASUREMENTS

- 6.1 Each boat shall carry a current valid measurement rating certificate applicable to her division.

7 SAILING INSTRUCTIONS

- 7.1 Each event will have Sailing Instructions (SIs) or Event Rules (ERs) issued by the host club that will be available on the host yacht club's website prior to the event with a link from the VARC website.

8 VENUES

- 8.1 The venue for each event will be the host yacht club and the waters nearby, or as identified in the event NOR and the event SIs or ERs issued by the host club. The host yacht clubs offering VARC events include: Bowen Island Yacht Club, Deep Cove Yacht Club, Kitsilano Yacht Club, Royal Vancouver Yacht Club, Squamish Yacht Club, Tiddly Cove Yacht Club, Vancouver Rowing Club, and West Vancouver Yacht Club.

9 COURSES

- 9.1 The courses to be sailed will be described in the event NOR and event SIs or ERs issued by the host club.

10 SCORING

- 10.1 Scoring Procedure - General:
- 10.1.1 VARC scores each club event in the Spring Series, the Summer Series, the Fall Series, Shorthanded Series, a Division's Championship Series and/or the Boat of the Year (BOTY) Series as listed in section 5 "Schedule of Events."

VARC Notice of Race 2026

10.1.2 All divisions will be scored in the same way in each of these series and as described in this section, **except**, if applicable, as described in section 10.2 Scoring Procedure Specific to Each Division, and according to their **division-sanctioned event and courses** shown in Table 1 and on the VARC website RACING page.

10.1.3 **VARC scores each series as follows:**

10.1.3.1 For each division, a boat's Spring Series score will be the sum of the boat's best 3 Spring Series scores.

10.1.3.2 For each division, a boat's Summer Series score will be the sum of the boat's best 3 Summer Series scores.

10.1.3.3 For each division, a boat's Fall Series score will be the sum of the boat's best 3 Fall Series scores.

10.1.3.4 For each division, a boat's Division Championship Series score will be the sum of the boat's best 2 Season Series scores (Spring, Summer and Fall).

10.1.3.5 A boat's Boat of the Year Series score will be the sum of the boat's best 2 Season Series scores (Spring, Summer and Fall) for all divisions combined.

Season Series Event Groupings

Spring: 1) RVCY VARC Opener Regatta; 2) WVCY Southern Straits Race; 3) WVCY Halibut Bank/Popham Island Race; 4) BICY Round Bowen Race

Summer: 1) VRC Summer Regatta; 2) SYC SOAR Regatta; 3) TCYC English Bay Scramble Race

Fall: 1) RVCY Salish Sea Regatta(Div 0,1)/DCYC Deep Cove Regatta (Div 2,3,7); 2) WVCY Howe Sound Regatta;3) RVCY Fraser River Lightship; Race 4) KYC VARC Closer Regatta

10.1.3.6 A boat's Shorthanded Series score will be the sum of the boat's best 3 Shorthanded scores for all divisions combined.

Shorthanded Season Series Events (TBC): 1) WVCY Southern Straits Doublehanded Race; 2) TCYC Passage Island Shorthanded Race; 3) WVCY RNSA Nanaimo Shorthanded Race (Overall); 4) VRC Ken & Barbie Doublehanded Race; 5) WVCY Jack & Jill Doublehanded Race

10.1.3.7 One event is required in each of the Spring, Summer, Fall & Shorthanded Series to be completed to constitute each series.

10.1.4 If a host club does not use standard VARC division breaks, then boats will be scored in the division in which they raced at the event; VARC will not modify the results as posted by the host club except as follows:

10.1.4.1 When a host club has multiple courses a boat will be scored by VARC in the position in which they placed in their division on that course, as scored by the host club, except that:

10.1.4.2 For boats in a VARC division who are placed by the host club in different divisions on the **same** course, and with the **same** start time, VARC will use the corrected times for scoring each boat in its VARC division regardless of the division assigned by the host club, and

10.1.4.3 A VARC Division may stipulate which course(s) a boat may sail in as listed in **division-sanctioned event and courses** in Table 1 and the VARC website RACING page.

10.1.5 All boats racing at an event within the VARC division splits, including visiting boats, will be scored by VARC.

10.1.6 All events and series will be scored using a High Point Scoring System where first place in a division at an event will receive 100 points, second 99, third 98 etc. with the following modifications:

10.1.6.1 A boat that did not start, did not finish, retired or was disqualified shall be scored points equal to 100 less the number of boats racing in their division on the event. This changes RRS A4.2.

VARC Notice of Race 2026

- 10.1.6.2 If at any event a division has fewer than five boats racing, a boat's score for the event will be reduced by 5 points less the number of boats racing in the division on the event. For example: 4 boats racing: 1st = $(100-5) + 4 = 99$, 2nd $(99-5) + 4 = 98$, etc.; 3 boats racing: 1st $(100 - 5) + 3 = 98$, 2nd $(99-5) + 3 = 97$ etc..
- 10.1.6.3 A boat that does not register and a boat that registers but does not come to the starting area for all races on an event will be scored DNC and will receive 0 (zero) points for that event. This changes RRS A9.
- 10.1.6.4 For the Boat of the Year Series, if a tie remains after RRS A8.1 is applied, RRS A8.2 will not apply and the tie will stand. This changes RRS A8 Series Ties.
- 10.1.6.5 The winner of each series will be the boat with the highest point total, and others shall be ranked accordingly.
- 10.1.6.6 As per 3.2.1, host clubs are strongly encouraged to use VARC Scoring (ORC for Div 0,1 & 2 and PHRF for Div 3 & 7) as these are the scoring systems the Divisions have voted to adopt.
- 10.1.6.7 If a host club does not use VARC Scoring in their NOR and SIs or ERs as per 3.2.1 but is able to provide courtesy scoring using ORC for Div 0, 1 or 2, VARC will score the races for those boats with ORC rating certificates.
- 10.1.6.8 If the host club does not use VARC Scoring in their NOR and SIs or ERs as per 3.2.1 and does not provide courtesy scoring under ORC for Div 0, 1 or 2, VARC will score using PHRF ratings and score all boats entered in the Division.
- 10.1.6.9 At least two boats must be scored in a Division at an Event for the results to be used for VARC BOTY and VARC Division Championship Scoring.
- 10.2 Scoring Procedure Specific to Each Division:
 - 10.2.1 A VARC division may change the scoring procedure for their division due to the number or type of ***division-sanctioned events and courses***. See Table 1 and the VARC website RACING page for details of each division's schedule and scoring procedure, if different from the scoring rules of section 10.1 above.
 - 10.2.2 A boat in a VARC One Design division that may qualify to race in another VARC division may compete and be scored in the appropriate handicap division but not both divisions for any one event and will qualify for a series championship in both divisions.

11 BERTHING

- 11.1 Boats shall contact the host yacht clubs for available moorage during each event.

12 HAUL-OUT RESTRICTIONS

- 12.1 Boats shall not be hauled out during the event except with and according to the terms of prior written permission of the race committee.

13 DIVING EQUIPMENT AND PLASTIC POOLS

- 13.1 Underwater breathing apparatus and plastic pools or their equivalent shall not be used around boats between the preparatory signal of the first race and the end of the regatta.

14 RADIO COMMUNICATIONS

- 14.1 A boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats, unless required for safety. This restriction also applies to mobile telephones.

15 AWARDS

- 15.1 Event awards will be presented at each club event by the host club as described in the event documentation.

VARC Notice of Race 2026

15.2 Series awards will be presented at the year-end VARC Awards Ceremony:

15.2.1 Awards for all the VARC Series will be presented for each division, as applicable, as follows:

- 1st place will be awarded if 2 or more boats race in a division,
- 2nd place will be awarded if 3 or more boats race in a division,
- 3rd place will be awarded if 4 or more boats race in a division.

15.2.2 Perpetual Trophies will be awarded for each Division Championship, Boat of the Year (BOTY), and Corinthian Award.

15.2.3 BOAT OF THE YEAR

The winner of the BOTY series is eligible to win the Corinthian Award.

15.2.4 Corinthian Award

The Corinthian Award will be determined through peer nominations and a vote by the VARC board of directors for the boat with the best attributes including team spirit, participation, performance improvement, sportsmanship and sailing community contribution. The winner of the Corinthian Award is eligible to win the BOTY Series Award.

16 DISCLAIMER OF LIABILITY

16.1 Competitors participate in the races, regattas and race series entirely at their own risk. See RRS 4, Decision to Race. The organizing authority, host yacht clubs, sponsors and suppliers will not accept any liability for material damage or personal injury or death sustained in conjunction with, prior to, during, or after an event.

17 INSURANCE

17.1 All boats must always carry a minimum of \$2 million liability insurance.

18 CONTACT INFORMATION

Correspondence with VARC shall be electronic via the contact information on the VARC website at www.VARC.bc.ca. Mail that must be sent by post to a VARC contact shall be pre-arranged with that VARC contact.
